Letter From An Old Butler Boy.

Plattsburg, Mo., April 21, 1914. Hon. Robt. Allen, Butler, Mo.

My Dear Robert:—Greetings from a fellow traveler in Plattsburg, who finds the climbing good and who holds old Butler always in cordial remembrance, I enclose \$1.00 for The Times that I may keep in better connection.

I say, Robert, do you remember when we used to play on the B. H. S. football team, and did sundry other things in ye olden days to make ourselves famous? Little did our admirers (?) dream that you would become a dignified editor and I a staid divine such as the present day finds us. Well I'm glad of my work and I know you are of yours, and here's every good wish for continued success to you.

Perhaps you would like a bit of my history. After graduating from William Jewell College in 1908 I went to Baker, Oregon, served five years as pastor of the Immanuel Baptist Church there; resigned last spring and came back to study Hebrew, etc. In the fall I took up a post-graduate course in Hebrew and other studies in William Jewell, while at the same time I supplied the Plattsburg church each Sunday. After Xmas, having completed a semester's post-graduate work, I moved to this field and have been seeing good results—31 additions to the membership, \$700 raised and paid on church improvement and \$200 for missions in addition to our regular expenses. We have splendid congregations and the church is prosperous in all departments.

Looking forward with pleasant anticipations to the weekly visits of The Times, I remain,

Most cordially yours,
C. H. Eyman.

The birthday party at Elkhart last Saturday night given in honor of Miss Inie Bailey's birthday was a pleasant affair. There was a good crowd and all report a jolly good time. They all left at a late hour, wishing Miss Inie many more happy birthdays.

Wick Ray of Lone Oak, who wants to be the next Recorder, was roaming around in this part one day last week.

Col. Lockridge was summoned on the jury at Kansas City, but he got off. We think the Col. was afraid he would get lost up there and not get back in time to be at the primary in August.
